dependent eligibility

Your dependents may be eligible for *Options* medical and dental plans.¹

Eligible dependents include:

- Your spouse or domestic partner
- Your children, children legally adopted by you, children awaiting finalization of their adoption by you, stepchildren, children of whom you are the legal guardian, children you support because of a valid court order, and children of your domestic partner:
 - Under age 26²
 - Age 26 and older if your child became disabled before the limiting age and is approved by your health plan (check with your health plan to determine the limiting age)

When adding eligible family members during annual benefits enrollment, you must provide Social Security numbers (SSNs) and required documents (birth/adoption/marriage certificate) within 10 calendar days from the date you enroll.

¹ The dependent group term life, accidental death and dismemberment plans, and Spending Accounts have different dependent eligibility requirements. See your *Options SPD* for details.

² Under age 18 for legal guardianship.

Choose Carefully – Your Elections Are Final

After the enrollment deadline, you will not be able to change your benefits until next year's annual enrollment.

The only exception is if you have a qualifying life event, such as a change in family status or employment situation, which may make you eligible to change your elections. Some examples include birth or adoption of a child, marriage, or divorce.

You must complete a life event enrollment and submit supporting documents to the Benefits Plan Administrator within 90 days from the qualifying life event. Refer to pages 13-16 of the *Options* Summary Plan Description (SPD) for details.

Find More Details in Your Summary Plan Description

Your enrollment materials often refer to the *Options* Summary Plan Description (SPD).

The SPD is a valuable resource containing detailed plan information. You may download a copy of the *Options* SPD at mylacountybenefits.com.

This guide is printed on recycled paper to support the County's commitment to the environment.

Options Benefits Allowance

If you waive medical coverage, you will receive the \$228 monthly *Options* Benefits Allowance.

If you decline medical coverage, you WILL NOT receive the \$228 monthly *Options* Benefits Allowance.

You MUST provide information on your other coverage every year

You can waive or decline online at mylacountybenefits.com when you are newly eligible for *Options* and when annual benefits enrollment begins on October 1, 2016.

You must provide information on your other medical coverage each year during annual benefits enrollment. If you do not submit new or updated information, or if it is not approved, you will be automatically enrolled in Kaiser Permanente HMO for 2017, and will not be able to waive or decline medical coverage until the next annual benefits enrollment.

Pensionability Note: You are a pensionable *Options* participant if you were hired before January 1, 1996. As a pensionable participant, \$244 of your monthly *Options* benefits allowance is added to your salary when your pension is calculated at the time you retire. If you decline medical coverage, you will not receive the pensionable amount of \$244 when your retirement is calculated.

dental plans

Your *Options* program offers two HMO dental plans:

- MetLife (SafeGuard)
- DeltaCare

The program also offers a PPO dental plan:

- Delta Dental

When you enroll in an **HMO dental plan**, you choose a dental office, which becomes your “primary care office.” You must go to this office for all of your dental care.

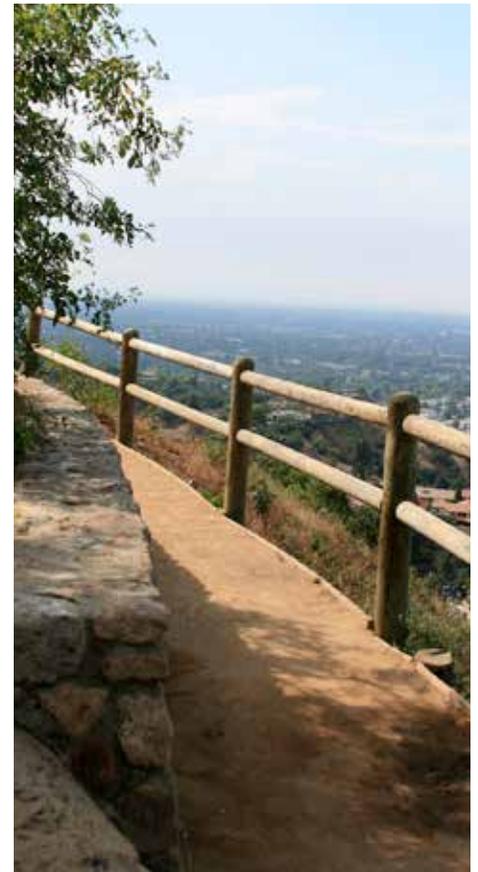

The **Delta Dental PPO** offers two different networks of participating dentist and dental care providers:

- Delta Preferred Provider Option (PPO) network: Using this network offers the highest benefits. Most preventive services are covered at 100%; many other services are covered at 85%. You pay no deductible.
- Delta Participating Dentist network: Delta pays benefits based on a fee agreement with the network’s dentists. Most routine services are covered at 85%.

When you enroll in a PPO dental plan, you can go to any dentist in either network, or to an out-of-network dentist.

When you use network providers, the plan pays higher benefits (you pay less).

For more details, review the Medical and Dental Plans Comparison Chart you received with this guide or the *Options* SPD, which is online at mylacountybenefits.com.

prescription drug benefits

Your medical coverage includes prescription drug coverage.

If you are taking “maintenance medication” — for high blood pressure, cholesterol, thyroid conditions, or birth control, for example — using your plan’s mail-order service will generally save you money. Plus, you get the convenience of having your medications delivered to you rather than having to pick them up at the pharmacy.

For more details about these benefits, review the Medical and Dental Plans Comparison Chart you received with this guide or contact your medical plan.

How to Save Money with Generic Drugs

You will save money when you substitute brand-name drugs with generic drugs, which become available when the original patent on the brand-name drug expires. When you are prescribed a brand-name drug, ask your health care provider if a generic version is available.

Medicare Part D Notice

If you or your dependents have Medicare or become eligible in the next 12 months, a federal law gives you more prescription drug coverage options.

See the Medicare notice in the legal notices in your benefits enrollment packet.

additional protection

Sometimes, the unexpected happens and it affects not just your own life, but also the lives of those you care about. Your *Options* program offers life insurance, AD&D insurance, and LTD health insurance to protect you and your family.

Life Insurance

The County gives you basic life insurance at no cost to you.

- General Members of Retirement Plan A, B, C, D, or G of the Los Angeles County Employees Retirement Association (LACERA): You are insured for \$2,000.
- Members of Retirement Plan E: You are insured for \$10,000.

You may buy optional life insurance of one to eight times your annual salary. You may only increase your insurance amount by one times your annual salary each year.

If you buy optional life insurance for yourself, you may also buy a limited amount of life insurance for your spouse or domestic partner and dependent children. The enrollment materials in your enrollment packet show how much

you can buy and your monthly cost of coverage. See the *Options* SPD, at mylacountybenefits.com, for more information.

Accidental Death and Dismemberment Insurance (AD&D)

You can buy AD&D insurance at low monthly rates. If you die in an accident, become paralyzed, or lose a limb, eyesight, speech, or hearing because of an accident, your AD&D insurance pays benefits. Review your enrollment materials for AD&D coverage amounts and costs.

If you have AD&D coverage under *Options*, you may also buy coverage for your eligible spouse or domestic partner under age 70, and dependent children under age 21, or through age 25 if full-time students. See the *Options* SPD, at mylacountybenefits.com, for rules.

Medical Coverage Protection Long-Term Disability (LTD) Health Insurance

If you are a General Member of Retirement Plan A, B, C, D, E, or G of LACERA and are enrolled in a UnitedHealthcare or Kaiser medical plan, you are eligible to participate in the LTD health insurance plan. It will help you continue your medical insurance

coverage if you become totally and permanently disabled, and are eligible for long-term disability benefits.

If you experience a disability on or after the later of January 1, 2008 (January 1, 2015, for CAPE/Blue Shield), or the date your medical coverage begins, the LTD Health Insurance plan pays 75 percent of your monthly medical premium while you are disabled and receiving LTD benefits. You must pay the remaining 25 percent.

For disabilities occurring on or after January 1, 2008 (January 1, 2015, for CAPE/Blue Shield), eligible employees can elect to “buy up” to 100 percent LTD Health Insurance at a cost of \$3.00 per month. Under this optional coverage, the LTD Health Insurance plan will pay 100 percent of the monthly medical plan premium while you receive LTD benefits.

If you do not elect (or you cancel) the optional 100% LTD health insurance coverage for a plan year, you cannot elect this coverage for the next plan year. You must wait two calendar years before you again have the option to elect this coverage. See the *Options* SPD, at mylacountybenefits.com, for more information.

spending accounts

Spending Accounts offer a great way to save money on eligible health care and dependent care expenses.

You never pay federal or state income taxes on the money you contribute. That means you could save between 10% and 30% on every dollar you spend on health care or dependent care, depending on your tax bracket.

You should carefully estimate the amount of expenses that you will be able to pay from these accounts to determine how much you want to contribute. If there's money left in your Dependent Care Spending Account at year end, you will not

get it back (IRS requirements). This is sometimes referred to as the "Use it or Lose it Rule."

With a Health Care Spending Account, you can carry over up to \$500 in unused funds to spend in the following year. See below for details.

That's why it's important to take a little time to plan, and not put more in your account than you estimate you will spend for the year.

Options offers two types of Spending Accounts:

ENROLL IN EITHER OR BOTH	
Health Care Spending Account	Dependent Care Spending Account
<p>Pay for eligible health care expenses with pre-tax dollars, including but not limited to:</p> <ul style="list-style-type: none"> • Medical plan copays • Deductibles • Prescription drugs • Eyeglasses, contacts, laser eye surgery • Out-of-pocket dental expenses • Hearing aids and tests • Chiropractic care • Nicotine patches and nicotine gum prescribed by a doctor • Plus many more expenses <p>Some expenses (such as insurance premiums) are not eligible for reimbursement.</p>	<p>Pay for eligible dependent care expenses with pre-tax dollars while you and your spouse work outside the home or attend school full time. These expenses include, but are not limited to:</p> <ul style="list-style-type: none"> • The cost of properly licensed day care centers • Nursery school, preschool • Summer day camp • Child and adult day care provided at your home <p>Dependent Care expenses must be used for the care of a:</p> <ul style="list-style-type: none"> • Child under the age of 13 • Mentally or physically disabled child of any age, or • Legally dependent adult who spends a minimum of eight hours each day in your home and is unable to care for himself/herself
When you enroll, you decide how much to contribute to each account.	
You can contribute a maximum of \$200 a month.	You can contribute a maximum of \$400 a month.
Expenses for both types of Spending Accounts must be incurred by December 31, 2017, and submitted for reimbursement by June 30, 2018. See the Spending Account section of the <i>Options</i> SPD, at mylacountybenefits.com , for more information about eligibility and the types of expenses you can pay with tax-free dollars through a Spending Account.	

Health Care Spending Account: Carry Over up to \$500 Each Year

If you have a Health Care Spending Account (HCSA), you can carry over up to \$500 in unused funds to spend in the next Plan Year; however, you will lose any remaining balance above \$500.

The amount you carry over to the next year will not affect your annual maximum contribution. You can still contribute up to the full \$2,400 to your HCSA in 2017. Any money you carry over from 2016 will be available for use in 2017 along with your designated 2017 contribution amount.

The carryover rule does not apply to the Dependent Care Spending Account (DCSA). If you enroll in a DCSA, you must spend all your funds by the end of the plan year or you will lose them.

To learn more, check out the Spending Accounts eMagazine (see next page for more information).

Tutorial and Calculators Available Online!

The online tutorial and calculators are easy ways to learn how to use Spending Accounts and plan your contribution amount.

To access the online tutorials, log on to mylacountybenefits.com and select "Online Tutorials" from the "my resources" menu on the left side of the home page.

Making Your Dependent Care Spending Account Even More Valuable

If you enroll in the Dependent Care Spending Account, the County will make a nontaxable monthly contribution to your account based on your annual pay.

You do not need to contribute, but you must enroll to be eligible for the County contribution. See the chart at the right to find out how much the County will contribute in 2017.

Total contributions, yours and the County's, to a Dependent Care Spending Account cannot exceed \$4,800 a year if married filing jointly, or \$2,500 if married filing separately (IRS limits).

YOUR ANNUAL BASE PAY	COUNTY'S MONTHLY CONTRIBUTION (Subject to Annual Cap on Contribution)
Less than \$30,000	\$375
\$30,000 to \$34,999	\$300
\$35,000 to \$39,999	\$275
\$40,000 to \$44,999	\$200
\$45,000 to \$49,999	\$125
\$50,000 or more	\$75

Important Note: SEIU Local 721 and the plan sponsor, the County of Los Angeles, agreed to an annual maximum dollar amount the County will spend for this benefit and how this benefit will be administered. This benefit will be monitored on a monthly basis. If the dollar maximum is reached in any month in 2017, the contribution you receive from the County will be reduced that month and will be suspended for the remainder of the plan year. In addition, you may be allowed to make other changes that are consistent with a qualifying change in status, cost, or coverage (for example, revoking your election if your dependent care provider quits or terminates its contract with you). See the *Options SPD*, at mylacountybenefits.com, for more information.
