quick start summary 2017 annual benefits enrollment

Welcome to annual benefits enrollment for your County of Los Angeles *Options* benefits program.

Annual benefits enrollment is October 1 through October 31, with your benefit elections taking effect January 1, 2017.

Highlights for 2017

Annual benefits enrollment is your chance to enroll in or change medical and dental plans as well as optional benefits, such as life, medical coverage protection (long-term disability health insurance), and accidental death and dismemberment insurance.

Premium Rates

County employees will see an increase in their monthly benefit allowance to help offset monthly premium rate increases. County employees will see an increase in their monthly premium rates for medical plans and a decrease in their monthly premium rates for Delta Dental, optional group term life, and accidental death and dismemberment insurance. There will be no change in the premium rates for MetLife (Safeguard), DeltaCare and dependent term life. You can find the premium rates for the new plan year on the Personalized Enrollment Worksheet you received with this summary. Benefit plans and premium rate changes are subject to final approval by the Board of Supervisors.

You Must Take Action if You Waive or Decline *Options* 2017 Medical Coverage

If you have medical coverage through your spouse/domestic partner's employer-sponsored medical plan, another employer-sponsored medical plan, veteran benefits, Medicare, individual insurance policy, or through the state, federal or private marketplace, you may be able to waive or decline *Options* medical coverage in 2017. You MUST provide proof of your other medical coverage each year during annual benefits enrollment. If you do not submit new or updated information, or if your form is not approved, you will be automatically enrolled in Kaiser Permanente HMO for 2017; you will not be able to waive or decline again until 2018.
