

## List of Licensed Psychologists

This resource list contains names of psychologists whose evaluation reports have been received by our office. The purpose of this list is to facilitate your appeal process. Please note that *we do not recommend any specific psychologist nor do we have a contract or any fiduciary arrangements with any of these individuals.* It is recommended to contact a few of them and inquire about their availabilities to provide assessment, as well as associated fees before you decide. In addition, you may also consult the online directory of the Los Angeles County Psychological Association (LACPA) at [www.lapsych.org](http://www.lapsych.org).
