Horizons

1-800-947-0845 | www.countyla.com

Your Retirement Simplified | **457(b) Horizons**

Build your retirement savings. Enroll in Horizons or increase your contribution percentage and receive dollar-for-dollar County matching contributions of up to 4% of your salary.* Increasing your contribution by even 1% can make a difference for your future! You make your contributions with pre-tax dollars.

** Salary refers to compensation as defined by each Plan.*

LACERA

1-800-786-6464 | www.lacera.com

Estimate your monthly retirement allowance.

Visit the Los Angeles County Employees Retirement Association (LACERA) website at lacera.com to sign in to My LACERA, your personal retirement account. Registered My LACERA users can review their retirement data and generate a personalized Retirement Benefit Estimate. At lacera.com, you can also gain information about your retirement plan, register for a pre-retirement workshop, and more.

Cigna Life Insurance

1-800-901-7534 | www.CignaWillCenter.com

Protect your family's financial future. Did you know Cigna Life offers access to a free online tool for will preparation, estate planning, and funeral services to employees enrolled in any of the Basic, Optional, or Accidental Death & Dismemberment Life Insurance coverage? Go to CignaWillCenter.com. It's easy to use and available to you and your family anytime day or night.

Commuter Benefit Program

1-855-428-0446 | www.mylacountybenefits.com

Save money on your commuting expenses to work.

You can set up a pre-tax payroll deduction for your commuting expenses such as bus/rail passes, transit vouchers, Metrolink passes, TAP cards, and parking at Park and Ride lots and train stations that are part of your commute to work. Expenses over the pre-tax limit (\$260 per month in 2018*) are deducted from your paycheck on an after-tax basis. For more information, contact WageWorks directly or log on to the enrollment website at mylacountybenefits.com and click on the Commuter Benefit Plan link.

**The IRS limit may change for 2019.*
