

# Better Futures Faster (BFF) Estate Planning, Wills & Trusts

Estate planning, wills and trusts go hand in hand. Feel secure about your belongings and sharing with your loved ones as you learn about the fundamentals of each topic. We will discuss the importance of estate planning, how the process works and key assets to consider. We also provide a definition of wills and trusts, and the difference between the two. This classroom session will help you understand options and develop strategies for talking with older relatives and other family members
