REQUEST FOR LEAVE OF ABSENCE Related to COVID-19

Instructions:

- The Families First Coronavirus Response Act (FFCRA) provided employers the ability to exclude certain employees from the protected leaves of absence related to COVID-19 afforded under the act. The County of Los Angeles (County) excluded certain County departments (listed on the cover sheet for this Packet B), and provided employees of those departments with discretionary leaves with substantially similar qualifying reasons and leave benefits.
- Eligible Employees may request a leave of absence related to COVID-19 under these discretionary leaves, which includes leaves that may be taken under COVID Paid Leave and/or COVID Leave. A description of these leaves is provided on pages 2-3 of this document.
- To request these leaves, employees are to complete the "Request Form for Leave of Absence, COVID-19 Related". The form is available as a PDF document or as a PDF Fillable document on the Department of Human Resources website at https://employee.hr.lacounty.gov/directors-message-2/
- 4. Employees are to submit the completed request form to their department's Human Resources Office.
 - Employees who do not know how to reach their department's Human Resource Office can check with their supervisor or their department's Administrative Services for assistance.
 - Departmental Human Resources Offices can provide employees with the e-mail address that can be used to electronically submit the completed request form.
- 5. If the completed request form is being submitted electronically and the employee is unable to submit the electronic copy of the form with their signature applied, the employee may submit the completed, unsigned request form as an attachment to an e-mail from his or her work or personal e-mail address. Unsigned request forms may not be submitted from an e-mail address that is not the employee's. An employee's submission of a completed, unsigned, request form from the employee's e-mail address will be deemed as his or her certification of the information listed in the form.
