

# WORRIED YOU MIGHT HAVE COVID-19?

Cigna is here to help.

If you believe you are sick with COVID-19, we're here with useful tools and resources to help you access the care you need when you need it.

## First things first: check your COVID-19 symptoms

Use the **Buoy for Cigna Symptom Checker** to determine if you are at risk for COVID-19. If you're experiencing symptoms, we'll help guide you to next best steps for care.

[CHECK SYMPTOMS](#)

## Connect with a health care professional: you have options

Cigna is waiving out-of-pocket costs\* for COVID-19 visits, whether you go to a primary care provider (PCP), urgent care center, local health department, or use virtual care. While a diagnosis of COVID-19 cannot be confirmed through virtual medical care, it is still the most convenient and safest way to get the medical attention you may need without leaving home. Contact your PCP, or connect with a virtual care provider on **myCigna.com**

## Access testing if you need it.

Cigna is waiving out-of-pocket costs for **FDA-approved COVID-19 diagnostic tests**.

Visit a COVID-19 testing center	Access COVID-19 testing at home
<p>Your health care provider will help you determine if you need testing, and if so, where to go for testing.</p> <p>You may also search online by typing "COVID-19 testing sites near me" on <a href="https://www.google.com">Google.com</a></p>	<p>Self-initiated at-home specimen collection kits that are FDA-approved (such as the Pixel by LabCorp testing kit) will be covered by Cigna (cost share waived). To order the Pixel by LabCorp test kit:</p> <p>Go to: <a href="https://www.pixel.labcorp.com/at-home-test-kits/covid-19-test">https://www.pixel.labcorp.com/at-home-test-kits/covid-19-test</a></p> <ul style="list-style-type: none"><li>• Complete a screening</li><li>• Provide your Cigna insurance info</li><li>• LabCorp will mail your specimen kit to you.</li><li>• Collect your own specimen following detail instructions.</li><li>• Return to LabCorp using the provided materials.</li></ul> <p><i>Results are available 1-3 days after sample is received at lab. Must be 18 or older. Not available in Puerto Rico.</i></p>

For up-to-date information and resources, visit our COVID-19 Resource Center at [Cigna.com/COVID19](https://www.cigna.com/COVID19).

Together, all the way.®

\*This COVID-19 treatment policy applies to customers in the United States who are covered under Cigna's employer/union sponsored insured group health plans, insured plans for US based globally mobile individuals, Medicare Advantage and Individual and Family Plans (IFP). Cigna will also administer the waiver to self-insured group health plans and the company encourages widespread participation, although these plans will have an opportunity to opt-out of the waiver option. Through October 31, 2020.
