What's Inside

This comparison chart shows what you pay under the *Choices* medical and dental plans. Use this chart to compare the plans' features and services. It can help you choose the right plans during annual enrollment, or as a new hire. And, you can reference this chart throughout 2021.

Be sure to review the Enrollment Highlights Guide and other materials in your benefits enrollment packet; you'll find descriptions of your plan options, including information about premium rates and the *Choices* monthly benefits allowance.

Information about your *Choices* plans is also available at **mylacountybenefits.com**.

The Affordable Care Act requires that a Summary of Benefits and Coverage (SBC) for each medical plan be available to employees. The SBC provides information on the benefits and costs associated with a plan. You may download SBCs from mylacountybenefits.com or request a hard copy by calling the medical plan directly; see back page for contact information.

Should you note any difference between what you read in this comparison chart and an official plan document, the official plan document will rule.

The Cigna Southern California Select Network HMO is available only in certain areas of LA, Orange, San Diego, San Bernardino, and Riverside counties. It has a smaller network of providers than the Cigna Network HMO, which does not include facilities that are a part of most County-sponsored medical plans. Before you enroll, make sure the network available to you includes your preferred providers and facilities. If you enroll in this plan, you must choose one of four provider groups: Optum, formerly HealthCare Partners (LA County), St. Joseph Hoag Health (Orange County), Scripps Health (San Diego County), or PrimeCare (San Bernardino and Riverside Counties). All care must be received within your chosen provider group, except for urgent care and emergencies.

Important Note: The County believes the Firefighters Local 1014, CAPE/Blue Shield Lite POS and CAPE/Blue Shield Classic POS health plans are "grandfathered health plans" under the Affordable Care Act (ACA). As permitted by the ACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that it may not include certain consumer protections of the ACA that apply to other plans, such as the requirement to provide preventive health services without cost sharing. Grandfathered health plans must comply with certain other consumer protections in the ACA, for example, the elimination of lifetime limits on benefits. If you have questions about which protections apply and do not apply to grandfathered health plans, and what might cause a plan to change from grandfathered status, call the Benefits Hotline at 213-388-9982.
