

DRUG AND ALCOHOL TESTING COLLECTION SITES

The Los Angeles County, Department of Human Resources contracts with American Substance Abuse Professional Drug Solutions, Inc. (ASAP) to provide drug and alcohol specimen collection and laboratory testing services.

Please be sure to only send employees to the clinics that offer the services you are seeking e.g., DOT, Non-DOT, and Reasonable Suspicion testing.

Two of the clinics listed below can provide a **mobile response** to the work site for on-site sample collection in accordance with Non-DOT collection procedures (Reasonable Suspicion). These sites will respond within 90 minutes to work sites within a 25-mile driving distance of the facility. Response times for distances longer than 25 miles could be longer. Contact the clinic for an estimate of the response time to your location. The cost for a mobile response service is a \$200 call-out fee and a \$50 sample collection fee in addition to the standard cost for analysis.
